MACY WILLIS

Ravenel, SC 29470 | Macymwillis@gmail.com | 843-371-2088

OVERVIEW

Cybersecurity and Computer Science student with an Associate degree in Cybersecurity and Network Systems Management, along with a Bachelor's degree in Computer Science, which I expect to complete by December 2026. I possess hands-on experience with graphic-design and academic experience with web design and tools such as Linux, Cisco Packet Tracer, Python, and PowerShell, supported by the understanding of cybersecurity principles, network systems, data protection, and technical troubleshooting. Additionally, I bring professional experience in managing confidential information, ensuring data accuracy, identifying discrepancies, documenting procedures, and addressing operational challenges.

SKILLS

- **Cybersecurity & Networking:** Cybersecurity Fundamentals, Network Security Concepts, Networking Fundamentals & Troubleshooting, Cisco Packet Tracer, Data Protection & Information Security
- **Systems & Programming:** Linux, Microsoft Windows, Python, PowerShell
- **Technical & Professional:** Technical Documentation, Data Verification & Acuuracy, Analytical Problem Solving, Attention to Detail, Microsoft Office, Google Workspace
- **Web & Graphic Design:** Wed Design, Graphic Design, Digital Content Creation
